

The accreditation process for the Amputee Football EURO has been completed

The accreditation process for the Amputee Football European Championship Krakow 2021 has come to an end. We waited for all accreditation applications until 1st of September.

The process of verification of the submitted applications is currently underway and soon the journalists who submitted the applications will receive relevant information about the accreditation and the method of its receipt. You can also check your current status by logging in to your account at panel.identi.pl

We would like to inform you that only accredited media representatives will be able to take part in all matches of the Tournament.

The European Amputee Football Championship Krakow 2021 will be held on September 12th-19th at three Krakow stadiums: Cracovia Stadium, Garbarnia Stadium and Prądniczanka Stadium.
